The 1953-54 freshman basketball team experienced a very successful season. Playing one of the toughest schedules in the school's history of freshman competition, the team won 22 games and lost 4. The playing experience which the boys received while completing a 26-game schedule should be helpful to them when they meet up with reserve and varsity competition. The freshman team scored a total of 1335 points while their opponents scored 1005. This gave them an offensive average of 51.3 points per game and a defensive average of 38.6. The team had a well-balanced scoring punch with each player capable of hitting for the double figures. Let's hope the boys will keep working hard and have that desire to win so they will bring many victories to Canton South.

The Canton South Student Council is composed of four representatives from each of the classes, chosen by the student body. The council is supervised by Mr. Young. Our president, Ricky Alborn, presides at every meeting.

The Student Council meets weekly to help air the problems originating with the student body. At the meetings, committees deal with school safety, plan assemblies, cheer rallies, noon movie schedule, and dances. The council also has taken on the responsibility of chartering buses to the away games, selecting records for the dances, making posters for different occasions to help raise the school spirit, the selection of both varsity and reserve cheerleaders, and other all-student activities.

The Council has worked hard this year in trying to please the student body. They have sponsored many Sock Hops which, everyone agrees, have proven very successful. The council also sponsored "Twirp Season" for a period of two weeks. During this time the girls asked the boys for dates, and the last week the girls were subject to the boys under Twirp rules and regulations. The students wound it up with a big "Twirp Twirl" where the girls did the escorting, tagging, and tabbing at the dance.

These are only a few of the many things your Student Council has done to help better our school. We're sure that members of next year's council, whoever they may be, will have a hard time keeping up with this year's, but we know that they won't let the school or students down.

Each year the seniors and juniors having a "B" or better average are voted by the teachers on the basis of character, scholarship, leadership, and service. The students receiving the most points are then inducted into the National Honor Society.

To be a member of this organization is the highest honor any high school student can attain.

It was with great pleasure that six seniors and ten juniors were elected this year. Adding our 16 new members to our remaining group of 12 from last year gives us a membership of 28.

JUNIOR-SENIOR TRI-HI-Y

The purpose of the Junior-Senior Tri-Hi-Y Club is to create, maintain and extend, throughout the school and community, high standards of Christian character. At Christmas we sponsored a Formal Snow Ball Prom, which was a big success. At the dance, Patsy Hunter and Mike Murphy were elected Queen and King by Santa Claus. The Tri-Hi-Y also sponsored the Easter program for the school, contributed to World Service and White Gifts at Christmas. Helen Barr was a representative to the Model Legislature held in Columbus.

The Thespian Club is an organization of students who have earned, through their participation in the class plays, enough points to qualify them for membership in the National Thespian Society. Under the capable direction of Mrs. Zelmer, the new director, the Thespians produced successful class plays and three one-act plays, one of which was entered in the county competition. A Sock Hop was sponsored in the early spring. New members were initiated in January and in the spring.

N. F. L.

The purpose of the National Forensic League is to help students to overcome the fear of speaking before an audience. Any high school boy or girl may enter. Points are given to them through their participation in speech contests—individual events or debates. A person is a member when he has earned twenty points. The degrees of Honor, Excellence, and Distinction follow. New members this year were Joan Koehler, Jackie Nupp, Barbara Sedlock, Cora Shiltz, and Grace Stoner. Those who earned their Degree of Honor were Joan Koehler, Larry Lape, Forest Price, Sue Quinn, and Cora Shiltz. Helen Barr, Demetria Dennis, and Carolyn Yohe received the Degree of Distinction. Sally Tilton and Sue Quinn entered the state finals at Kent this year.

F. H. A.

The aim of the F. H. A. is to create better homes in which to live. We have had activities this year such as going to county meetings. Here we meet new friends, enjoy programs and recreation, and learn to conduct business meetings. Our money-making activities include selling food at the football games. Our own local chapter had a Christmas party and gift exchange. We are now planning a square dance called the "Calico Capers," in which the boys will wear levis and the girls calico dresses. We also are making plans for a group of girls to attend the state meeting at Columbus April 24.

A large group of girls are working for their Junior and Chapter Homemakers degrees.

GIRLS' BASKETBALL

Girls' basketball, under the wonderful coaching and advising of Miss Barr, is once again in the eyes of the student body. The girls organized a Junior team and a Freshman-Sophomore team this year. They played teams from Middlebranch, Louisville, East Canton, Timken, and Lincoln.

One highlight of the season was the first annual Red and Grey Girls' All-Star game, comprised of girls chosen by Miss Barr, Mr. Henderson, and Mr. Dowling. The game couldn't have been a closer contest or a more exciting one. It was won by the Red team (31 to 29) when Carol Thompson scored in the last 30 seconds of the game.

After the game there was a Sock Hop, with Nick Barry spinning records. This will be a yearly affair with the girls.

The girls would like to thank Miss Barr for all the guidance, advice, and friendship she has given them.

Why did they sign the Declaration of Independence?

Were our forefathers just another group of radicals trying to create a government for their own gain? Or were they earnestly striving to establish a democracy of the people, by the people and for the people? The value and foresight of their words, as written in the Declaration of Independence, has been proved by the rapid progress and growth of American Democracy. What was written over 175 years ago still holds good. "—that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty and the pursuit of happiness." Let's stick to it.

Which is stronger?

IT'S the one on the right because it's a door of an American home. No one can get through without permission. Not even a policeman, unless he has a search warrant.

Here, in America, your right to freedom from search without warrant is guaranteed by The Constitution itself.

How different behind the iron curtain! There, the people have no such protection. And even a solid oak door, strong enough to guard a fortress, can't keep out the secret police. When they want in they get in, eventually, even if they have to use a battering ram. But the flimsiest screen door in America can keep out the police unless they have a search warrant.

Because we Americans take our rights for granted, it's hard to believe that there are "pinkos" and fellow-travelers amongst us who want to take away our freedom from search without warrant. It's just part of their plan to steal all our rights, like the right to own property, the right to work wherever we please, the right to vote secretly and all the rest.

The best way to protect a right is to use it. So if you ever hear anyone come out in favor of permitting arbitrary search and seizure on some pretext or other, set him straight! Remind him that freedom from search without warrant is a right guaranteed every American by The Constitution.

Remember, they're *your* rights, so treat them *right*!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship
- Right to secret ballot
- *Right to know how your union spends your dues
- Freedom of speech
- Freedom of the press
- Right to criticize officials
- *Right to know salaries of your union officers
- Freedom from search without warrant
- Right to petition government for redress of grievances
- *Right to know if your union officers are Communists
- *Right to know how your union is run
- Right to speedy and public trial by jury
- Right to help of a lawyer
- *Right to bear your employer's side of disagreements
- Right not to appear as a witness against yourself
- *Right to refuse to permit the "check-off" of union dues
- *Right to go direct to your boss with a grievance
- Right to be presumed innocent until proved guilty
- Freedom to own property
- *Right to work despite union jurisdictional disputes
- Freedom to work in any locality
- *Right to proper supervision of your union welfare funds
- Freedom to start and manage a business
- Freedom to make a profit
- *Right not to be fired by union leaders
- **Right to vote on company's best offer

*These are rights you enjoy under the Taft-Hartley law.
**This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

TREAT THEM RIGHT!**
